

*In my life some really terrible
things have happened,
and some of them
actually happened.*

- Mark Twain

*What gets us into trouble is
not what we don't know...
it's what we do know
that isn't so.*

- Mark Twain

*You gotta stand for something, or
you're gonna fall for anything.*

- John Cougar-Melloncamp

*A value is only a value if its
voluntarily chosen.*

- Peter Senge.

*No one can make you feel
inferior without your consent -
don't give them permission.*

- Eleanor Roosevelt

*The ways we co-create power has
a huge impact on the degree of
trust and quality of
our relationships.*

- Meg Wheatley

Everyone's behaviour is their best attempt to have their needs met.

90 to 95 percent of our daily perceptions, thoughts, judgments, responses, and behaviours are habitualised.

- David Snowden
